Al Jaber Optical the leading optical and eyewear company in the UAE was founded in 1982 by Al Jaber Group. The company presently operates over 35 shops and still planning to expand in the immediate future, within the prominent shopping malls, bustling prime high streets and key commercial district across the UAE.

Al Jaber Optical offers a comprehensive range of eyewear and optical services across the board, through a wide range of modern optical products and facilities. This includes the sale of high quality vision-care products, fashionable eyewear and optical frames, prescriptive and stylish contact lenses, optical accessories as well as providing unmatched services such as specialized eye testing and vision prescriptions via a team of specialized Optometrists and state-of-the-art laboratories.

At Al Jaber Optical, it's not just about brands and fashion; it's about helping our customers make the right decision. This is only exemplified by the awards that the company has received over the years for its superior service in eye-care industry. Al Jaber Optical has been recognized time and again as the UAE's most trusted brand of opticians with its never ending pursuit for excellence.

Al Jaber Optical promises to be more enthusiastic and will ensure to offer products and services that are sophisticated and contemporary, ranking amongst the best in the country while setting it apart in a league of its own that is sure to find approval by discerning users in the region.
