About the University

Zayed University was established in 1998 as a modern scientific institution that is a global model of education, to be the leading national university in the United Arab Emirates and in the region in terms of academic excellence and creativity.

Zayed University proudly carries the name of the founder and founder of the state - the late Sheikh Zayed bin Sultan Al Nahyan, may God rest his soul, and seeks to live up to the expectations and aspirations of the founder. The University has branches in Abu Dhabi and Dubai, where students are received from the country, the region and the world

Accessibility

Zayed University is fully committed to ensuring its website is accessible to and inclusive for all its users, including those with special needs and whether they use a text browser, screen reader or other assistive technology.

Maintaining an accessible website is an on-going process and we are continually working to improve the site for all users.
